

FACEBOOK DATA — CHALLENGE 2021 PRESENTATION

'ZUCKFLIX' CONTENT RECOMMENDATION BY NIKI VASAN

If Facebook were to enter the video streaming space on a limited budget, what type of content would you recommend they produce and why?

— Table of Contents

- **Overall Recommendation**
 - Type of Title
 - Genre and User Rating
 - Maturity Rating and Duration
- **Country Specific Recommendation**
 - Choosing a Country
 - Quantifying Market Potential
 - Genre

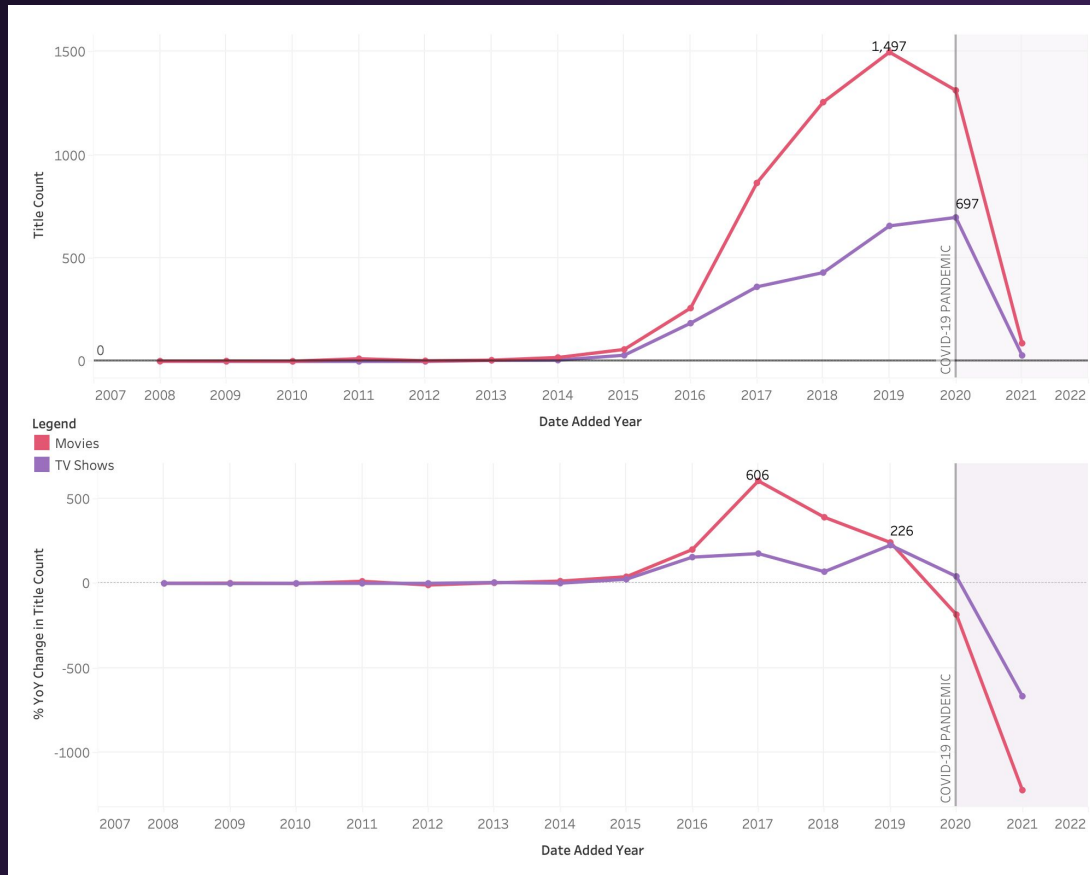

1. Overall Recommendation

Let's start broad.

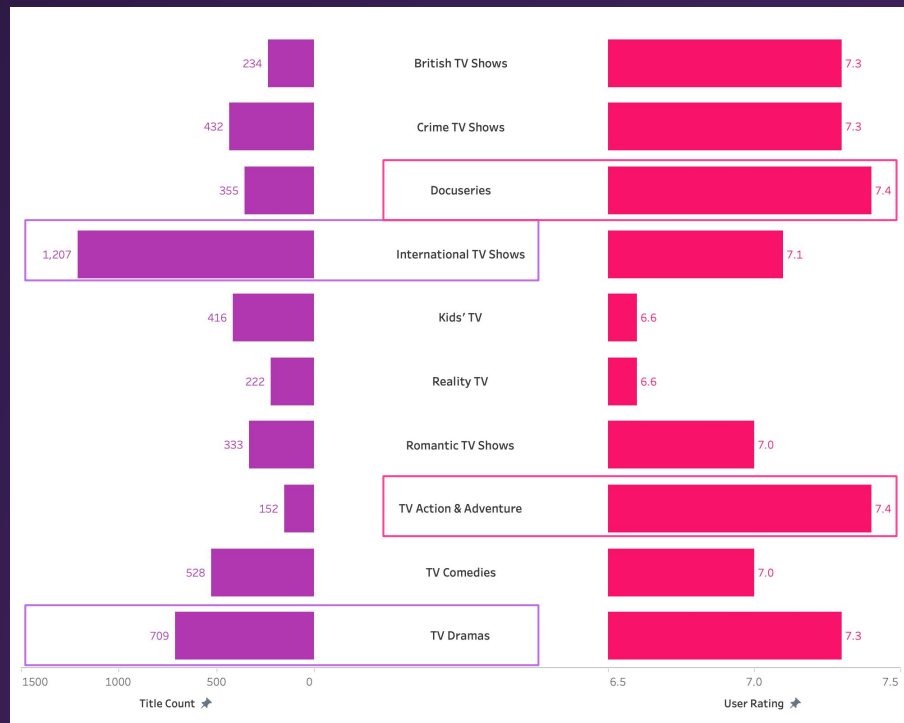

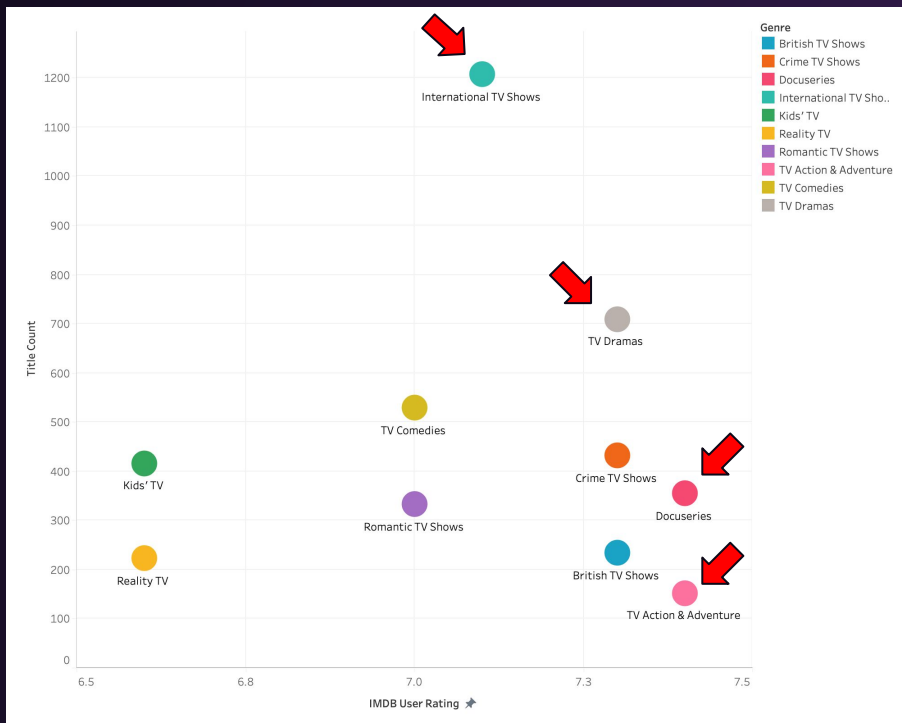

For our initial investment, I recommend we produce TV Dramas or Docuseries rated TV-MA or TV-14 with an anticipated 1-2 seasons in length.

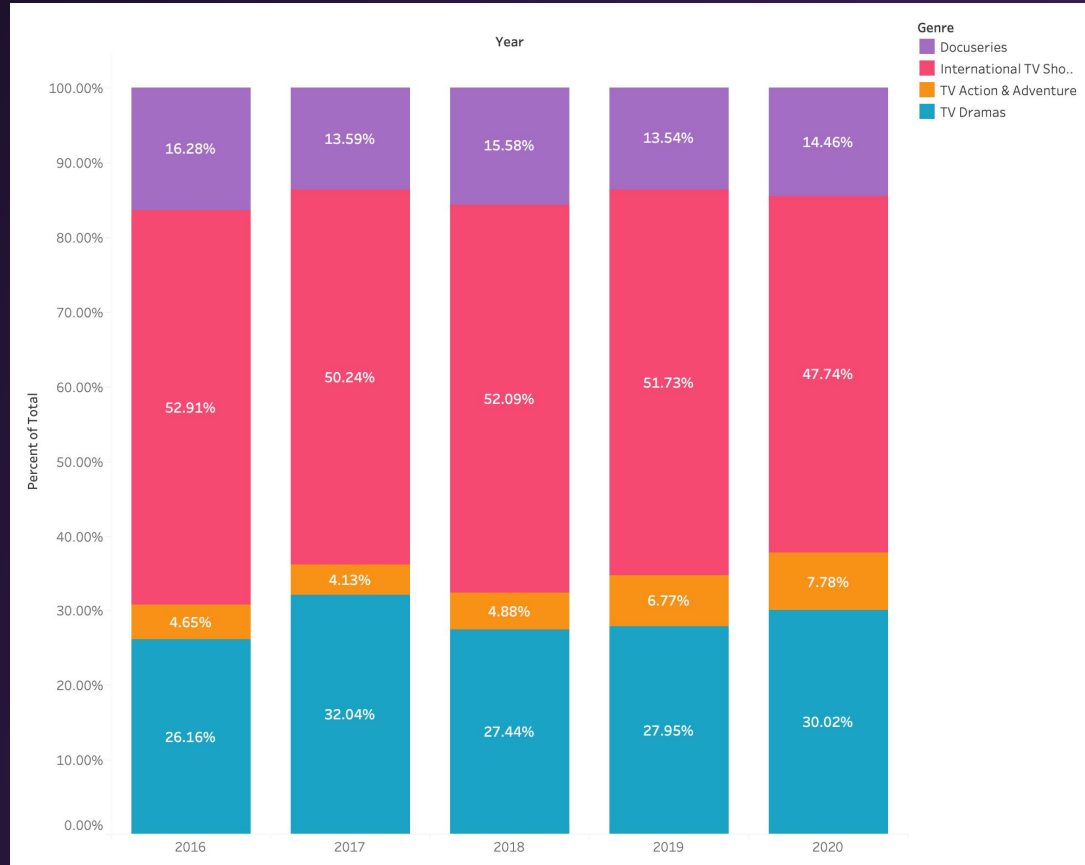

Movies vs. TV Shows

Genre and User Rating

Genre Over Time

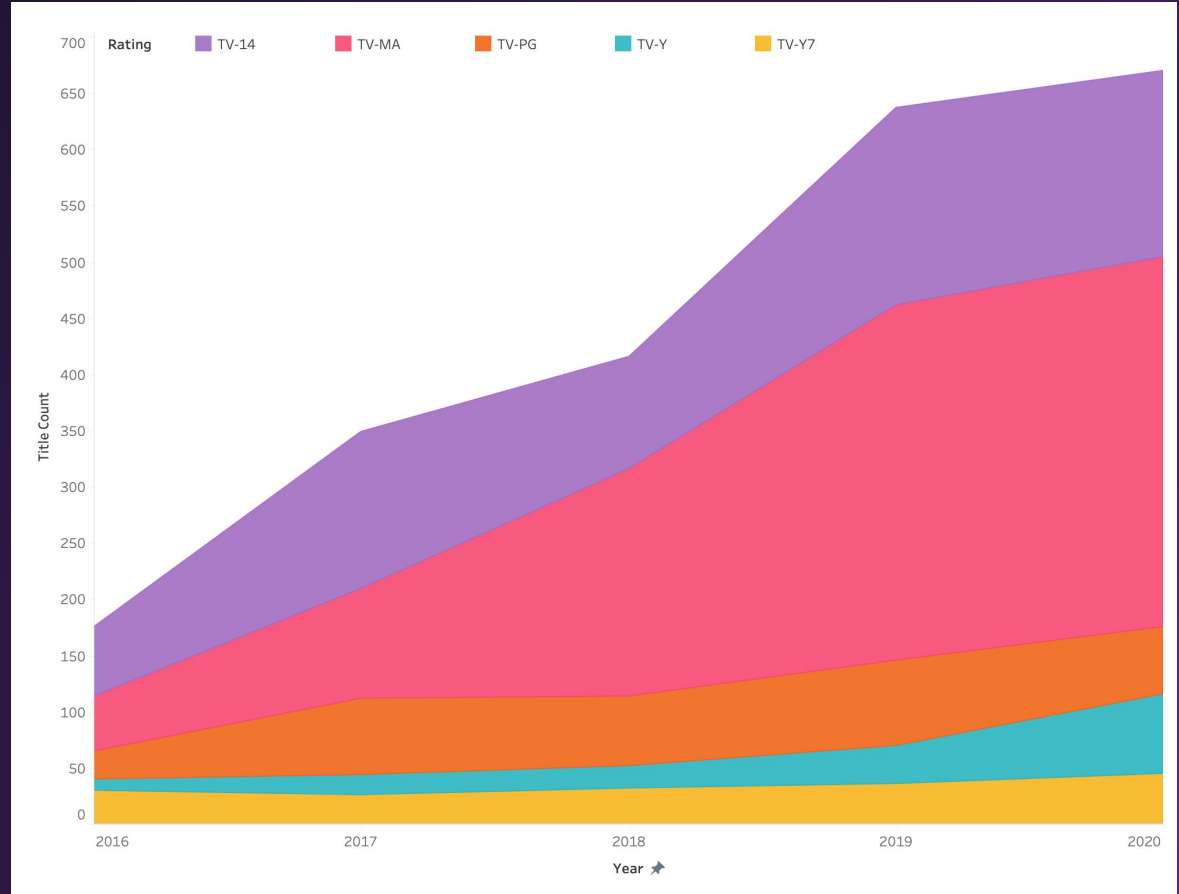

1.4

seasons
Avg duration for
International TV
Shows

1.8

seasons
Avg duration for
TV Dramas

Maturity Rating and Duration

A world map with a dark blue background. The landmasses are colored in shades of orange and red. India is highlighted in a bright red color. A white location pin is placed over India, surrounded by a white circular outline. The text "2. Country - Specific Recommendation" is written in white, bold, sans-serif font on the left side of the map.

2. Country - Specific Recommendation

India

In the context of India, I recommend that we focus on producing Comedy or Drama Indian movies with an adult maturity rating in Hindi (with subtitles in Telugu and Tamil).

Revenue
